

VICTOR BVURERE

FOUNDER & LEAD CONSULTANT :
ZAKOUMA EHS & S CONSULTANTS

INTRODUCTION

Victor Bvurere is an accomplished and highly regarded business leader, entrepreneur, and business turnaround strategist with a solid foundation in venture capitalism. With over 27 years of experience across various industries, both in the public and private sectors, Victor has garnered extensive expertise in Project Management, Environmental, Health, Safety and Sustainability matters. His exceptional track record, coupled with his qualifications and passion for continuous learning, makes him a sought-after professional in his field.

PROFESSIONAL EXPERIENCE

Throughout his career, Victor has held key leadership positions and successfully led organizations through challenging times. His expertise lies in turning around struggling businesses, implementing innovative strategies, and driving sustainable growth. Victor's ability to assess complex business situations, identify areas for improvement, and develop effective solutions has earned him accolades and recognition within the industry. Victor's diverse skill set extends beyond his business acumen. As a seasoned facilitator, assessor, mentor, and coach, he has contributed significantly to the development and growth of individuals and teams. His unique ability to inspire and motivate others has resulted in improved performance and increased productivity.

A man with a beard, wearing a dark suit, a red tie, and a blue graduation gown with a yellow and red sash, is smiling and holding a white diploma. The diploma has the 'REGENT BUSINESS SCHOOL' logo and a '25' anniversary emblem. The background is dark with a faint, larger image of the same man's face.

EDUCATION AND QUALIFICATIONS

Being an MBA candidate, has provided Victor with a strong foundation in strategic management and leadership. In addition to his MBA, he boasts a multitude of qualifications across various disciplines. Notably, Victor obtained an International Diploma in Environmental Management from Warwick University in Coventry, United Kingdom. This qualification has equipped him with in-depth knowledge and expertise in environmental stewardship and sustainable practices

Furthermore, Victor holds an International Certificate in Occupational Health and Safety, demonstrating his commitment to ensuring safe working environments. His Post Graduate Diploma in Project Management has honed his skills in effectively managing complex projects and delivering successful outcomes. Ever the avid learner, Victor is currently pursuing qualifications in Occupational/Industrial Hygienist through the BOH Society-UK and AIHA University-USA. This dedication to continuous professional development showcases his commitment to staying at the forefront of his field.

Professional Affiliations

Victor is an active member with good standing status at more than twelve Statutory Professional Bodies, locally and internationally. His active involvement in these organizations allows him to stay at the forefront of industry trends, exchange knowledge and best practices, collaborate and contribute to the advancement of his field. Victor's dedication to continuous professional development is evident through the innumerable CPD Certificates he has earned over the years for both completion and attendance in person and virtually.

PERSONAL INTERESTS

Beyond his professional achievements, Victor possesses a vibrant personality and diverse range of personal interests. He has a deep affection for dogs, finding solace and companionship in their presence. Victor's love for nature is further exemplified by his admiration for both the sea and the bushveld. He cherishes the beauty of the outdoors and enjoys exploring different environments.

On a lighter note, Victor is an avid enthusiast of Grand Prix and Motor GP events, as well as 4X4 and dirt biking Motor X. His passion for these high-octane sports reflects his adventurous spirit and thirst for excitement. Victor also appreciates the importance of maintaining a healthy work-life balance in the fast-paced and volatile world we operate in - he likes to call it "BANI-world" as opposed to "VUCA-world". He finds relaxation and enjoyment in playing table tennis, engaging in friendly competition while nurturing his physical and mental well-being.
